USE approved lab data.
OK to ship. Awaiting to hear from transporters. What days r u looking to load?
Consider keeping the truck onsite and live load them from the excavation?

Hi [] we are all clear to ship additional soil.
We have a stockpile of 5 trucks and want to excavate and ship the soil to you that is below the stockpile. Maybe another 3 -4 trucks.
Maybe work out a live load?
I'll wait to hear from you.
Thanks
